The EUROPEAN ENVIRONMENTAL BUREAU is a Federation of over 145 environmental citizens' organisations from the EU, Accession Countries and neighbouring countries. It aims to bring environmental citizens' organisations together to strengthen their impact on European environmental policy with sustainable development as the chief objective.

The European Environmental Bureau is in regular contact with most of the European institutions - the Council of Ministers, the Commission of the EU, the European Parliament, the Economic and Social Committee and the European Environmental Agency - as well as with the Council of Europe and the OECD.
