12:10-12:30	Question and Answer	

	-Lunch-	
	Panel 4 Health Care With Harm	
14:30-14:50	Alternatives in Health Care -HCWH	√
14:50-15:10	Medical Waste & POPs production -HCWH	√
15:10-15:30	Case Study: -HCWH	√
15:30-16:00	Question and Answer	
16:00-16:20	-Tea Break-	
16:20-17:20	Group discussion	
17:20-18:00	Discussion Report	
	-Dinner-	

Day 4: October 19
Chemical Management and Discussion on Action

	Chemical Management	
8:30-8:50	International Developments By Jack Weinberg -IPEN Sr Policy Advisor	√
8:50-9:10	European Chemical Management and KEMI's Chemical management project in China Eva Sandberg KEMI	√
9:10-9:30	SAICM & China By Maoyan - SEPA Department of Hazardous Chemical Management of Chemical Registration Center	√
9:30-10:00	Question and Answer	
10:00-10:20	- Tea Break-	
10:20-10:40	Evolution of Chemical Policy Approach to Chemical Management: Initiatives in the US & Europe By Ken Geiser -Lowell, US	√
10:40-11:00	IPEP Development By Joe DiGangi -EHF/ IPEP Global Coordinator, US)	√
11:00-11:30	Question and Answer	
	-Lunch-	

	Group Discussion on Action	
14:00-15:00	Group Discussion	
15:00-15:40	Discussion Report	
15:40-16:10	Closing Lecture
